REVOCATION AND NEW POWER OF ATTORNEY

Under 37 C.F.R. § 3.73(b), Pfizer Inc., a corporation, certifies that it is the co-assignee (with University of North Carolina) of 100% of the right, title, and interest in the patent application identified above by virtue of:

Assignments from certain of the inventors of the application to Pfizer Inc. The assignments were recorded in the Patent and Trademark Office at Reel/Frame 011336/0451 and Reel/Frame 011901/0363 on November 30, 2000 and June 6, 2001, respectively.

APR 14 2004 10:21 AM PR PFIZER PATENT LEGAL 441 SEE: 10 010742010 00

The undersigned has reviewed all the documents in the chain of title of the application and, to the best of undersigned's knowledge and belief, title is in the assignees identified above.

The undersigned, whose title is supplied below, is empowered to act on behalf of Pfizer Inc.

The undersigned, acting on behalf of the Pfizer Inc., hereby revokes all powers of attorney previously granted in the application and appoints the attorneys and/or agents associated with customer number 21559 with full power of substitution and revocation, to prosecute the application and to transact all business in the United States Patent and Trademark Office connected therewith.

All correspondence regarding the application should be sent to the address associated with customer number 21559, which is Clark & Elbing LLP, 101 Federal Street, Boston, MA 02110.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18

of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,

Date: 13 April 2004
